Dear Ms. Soderlund,

I would like to schedule a meeting with the Dennis McLerran, EPA Region 10 Administrator, when he is in Anchorage next month for the Alaska Forum for the Environment. In attendance would be Pam Miller from the Alaska Community Action on Toxics, Russ Maddox from the Resurrection Bay Conservation Alliance and myself. We would like to discuss environmental issues specifically related to contaminants and public health (the investigation of the Aurora power plant, Sulfolane in North Pole, Coal Dust in Seward and PM 2.5 in Fairbanks). We would be happy to meet anytime his schedule can accommodate during the week of February 4-8.

Thank you for consideration and I look forward to hearing from you.

Sincerely,
Lissa Hughes
